sam gennawey a retired urban planner and historian embarks on an incredible vanlife journey spanning six years 175 000 miles and over 380 sacred locations protected by the u s national park service in a mix of travelogue history and self reflection gennawey seeks answer to crucial questions about we the people in america s journey

the story of walt s epcot disney historian and urban planner sam gennawey traces the evolution of the epcot we didn t get and the epcot we did in a tour de force analysis of walt s vision for city building and how his city of tomorrow might have turned out had he lived

in 2013 the los angeles section of the american society of civil engineers celebrated its 100th anniversary the centennial year is highlighted herein with photos of the many celebratory activities held by the asce los angeles section its branches younger member forums life member forums and student branches from oct 2012 through december 2013 articles authored by various civil engineering leaders are included as posted on the section website throughout the 2013 year describing various forms of civil engineering infrastructure in the region additionally as the second largest section in the asce society and covering most of the southern california southern san joaquin valley and much of the eastern portion of california the founding of this remarkable organization is described including profiles of many of the civil engineering leaders who supported asce and civil engineering projects that provide the quality of life so many enjoy in southern california today a section timeline and civil engineering landmarks review is also included that provides important historical reference for how far we have come over the past century together the remarkable centennial year for the section highlights the extraordinary contributions that civil engineers have made and will continue to make for generations to come

los angeles isn t planned it just happens right not so fast despite the city s reputation for spontaneous evolution a deliberate planning process shapes the way los angeles looks and lives editor david c sloane a planning professor at the university of

southern california has enlisted 30 essayists for a lively richly illustrated view of this vibrant metropolis planning los angeles launches a new series from apa planners press each year planners press will bring out a new study on a major american city natives newcomers and out of towners will get insiders views of today s hot button issues and a sneak peek at the city to come

from cathedrals to cubicles people go to great lengths and expense to design their living and working environments they want their spaces to be places where they enjoy being reflecting who they are and what they care about the resultant environments in turn become loud albeit unvoiced leaders for people occupying those corresponding spaces the design and use of work and living spaces typifies and thematizes expectations for the group essentially the architecture of rooms buildings and cities creates cultures by conveying explicit and implicit messages this is evident when people approach and walk into st basil s cathedral in moscow the forbidden city in beijing the sydney opera house in sydney australia the jewish museum in berlin or the rothko chapel in houston to name some examples while leaders oftentimes lack the resources to have their spaces mirror the greatest architectural achievements of the world they are in a position to use the art and science of architecture at whatever scale is available to their advantage the creative and intentional use of space and place advances and promotes cherished values and enhances organizational effectiveness this book explores the essence of good architecture and establishes relevant connections for leaders and managers to strategically design and use the organizational workplace and space to support their mission and purpose and create aesthetically meaningful work environments it equips leaders to be culturally astute on what defines good architecture and to incorporate principles of beauty in their leadership practices accordingly and will be of interest to researchers academics professionals and students in the fields of leadership organizational studies and architecture theory and practice

a propulsive and entertaining the wall street journal history chronicling the conception and creation of the iconic disneyland theme park as told like never before by popular historian richard snow one day in the early 1950s walt disney stood looking over 240 acres of farmland in anaheim california and imagined building a park where people could live among mickey mouse and snow

white in a world still powered by steam and fire for a day or a week or if the visitor is slightly mad forever despite his wealth and fame exactly no one wanted disney to build such a park not his brother roy who ran the company s finances not the bankers and not his wife lillian amusement parks at that time such as coney island were a generally despised business sagging and sordid remnants of bygone days disney was told that he would only be heading toward financial ruin but walt persevered initially financing the park against his own life insurance policy and later with sponsorship from abc and the sale of thousands and thousands of davy crockett coonskin caps disney assembled a talented team of engineers architects artists animators landscapers and even a retired admiral to transform his ideas into a soaring yet soothing wonderland of a park the catch was that they had only a year and a day in which to build it on july 17 1955 disneyland opened its gates and the first day was a disaster disney was nearly suicidal with grief that he had failed on a grand scale but the curious masses kept coming and the rest is entertainment history eight hundred million visitors have flocked to the park since then in disney s land snow brings a historian s eye and a child s delight not to mention superb writing to the telling of this fascinating narrative ken burns that will entertain disneyphiles and readers of popular american history publishers weekly

this book explores ways in which screen based storyworlds transfix transform and transport us imaginatively physically and virtually to the places they depict or film topics include fantasy quests in computer games celebrity walking tours dark tourism sites hobbiton as theme park surf movies and social gangs of disneyland how physical virtual and imagined locations create a sense of place through their immediate experience or visitation is undergoing a revolution in technology travel modes and tourism behaviour this edited collection explores the rapidly evolving field of screen tourism and the affective impact of landscape with provocative questions and investigations of social groups fan culture new technology and the wider changing trends in screen tourism we provide critical examples of affective landscapes across a wide range of mediums from the big screen to the small screen and locations this book will appeal to students and scholars in film and tourism as well as geography design media and communication studies game studies and digital humanities

media depictions of community are enormously influential on wider popular opinion about how people would like to live in this study rowley examines depictions of ideal communities in hollywood films and television and explores the implications of attempts to build real world counterparts to such imagined places

from the publisher of the unofficial guide to disneyland comes the disneyland story the unofficial guide to the evolution of walt disney s dream the story of how walt disney s greatest creation was conceived nurtured and how it grew into a source of joy and inspiration for generations of visitors despite his successors battles with the whims of history and their own doubts and egos walt s vision maintained momentum thrived and taught future generations how to do it walt disney s way

universal studios never really wanted to get into the theme park business they wanted to be the anti disney but when forced to do so they did it in a big way despite the fits and starts of multiple owners the parks have finally gained the momentum to mount a serious challenge to the walt disney company how did this happen who made it happen what does this mean for the theme park industry in universal versus disney his newest work to investigate the histories of america s favorite theme parks seasoned disney author sam gennawey has thoroughly researched how universal studios shook up the multi billion dollar theme park industry one so long dominated by walt disney and his legacy

v 1 newspaper directory v 2 magazine directory v 3 tv and radio directory v 4 feature writer and photographer directory v 5 internal publications directory

the man who build universal studios florida theme park

jay stein builds a better mousetrap after years of sitting fat and happy atop the theme park totem pole mickey mouse discovered a big cat in his backyard named jay stein against stiff odds corporate politics and fierce opposition from michael eisner s disney jay

stein founded universal studios florida this is how he did it
